

Al-Quran Academy Enrollments for 2026

Notice Date: 01 May 2026

Al Quran Academy Michigan is now accepting applications for the 2026–27 academic year. We welcome students from Grade 2 onwards to join a structured program that combines state-required academics with Tahfizul Qur'an, and from Grade 6, an integrated Alim course. Our approach is designed to nurture strong academic performance alongside deep Quranic understanding and character development in a supportive, values-driven environment.

Applications and re-enrollments are conveniently managed through the Edublooms portal, making the process simple and efficient for families. With the academic year running from September through August and an annual tuition of \$3,000 (\$250 per month), we encourage parents to apply early to secure placement. Join us in shaping confident, knowledgeable, and morally grounded future leaders.
